Re: Grant #2248

Dear Dr. Krinsky:

The Scientific Director and CTR's staff have discussed your letter of July 10 concerning partial support of the 8th International Symposium on Carotenoids to be held in Boston July 26-31, 1987.

The sessions contain topics of interest to the Council, and the list of speakers suggests that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of \$1,500.00 to help defray the costs of the symposium. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector. We are pleased that you are holding open one registration slot for attendance by Dr. Lisanti of this organization.

Sincerely,

Harmon C. McAllister
